

Skyview Athletics

Fall, Winter & Spring

2009-2010

Dear Parents and Athletes:

Skyview students will have a variety of interscholastic sports available. Getting involved with athletics is a wonderful way to make new friends, stay active and healthy, keeping busy and become a more skilled athlete.

This year sports practice days will be Monday, Tuesday, Thursday, and Fridays only. Practice times will be 2:30-4:30 pm, typically, there will be NO sports, games or practices on Wednesdays. There may be some exceptions.

There will be **NO** 5:00 p.m. athletic buses this entire school year. Athletes will need to get their own ride home from Skyview Middle School after practices and on away game days. On game days athletes will be bused to the away site and back to Skyview.

Athletes must have a current physical form on file in our school health office (702-8015). Physicals are good for three years. ***NO athlete will be allowed to practice or participate in a game without a current physical on file and fee paid.*** Questions or concerns regarding this should be directed to Susan Akervik (702-8023). If a current physical is in the process of being obtained, athletes are expected to attend daily practices to watch and receive information.

You may visit our athletic website at www.isd622.org; click on school and then activities. The most current and up to date information regarding game changes/cancellations will be found on the athletic hotline 702-8020. The website WILL NOT REFLECT CHANGES DUE TO WEATHER.

A Sports Qualifying Physical Examination and Athlete Sports Registration Form is attached within this booklet.

All forms and fees need to be brought in or mailed to:
Susan Akervik, Athletic Director
Skyview Middle School
1100 Heron Avenue North
Oakdale, MN 55128
